CELEBRATION OF THE LIFE OF
JOHN YOUNG

HON. JARED HUFFMAN

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 15, 2021

Mr. HUFFMAN. Madam Speaker, I rise today in celebration of the life of John Young, a remarkable community leader and activist who spent more than 30 years uplifting underserved communities in the North Bay Area.

John was born on October 25, 1952 in San Francisco, CA. He grew up in Marin City and attended Tamalpais High School and College of Marin. John went on to study public policy at San Francisco State University, where he developed a passion for social justice.

Recognizing the need to confront economic, health, and education inequities, John committed his career to championing more inclusive social policies. At the Marin City Community Development Corporation, John went to bat for the community that raised him, helping to plan and launch critical revitalization projects. The Canal Neighborhood in San Rafael benefitted from John's talents as an organizer and housing specialist for the Canal Community Alliance. John also successfully managed more than \$5 million in grants for programs supporting low economic and disadvantaged populations across the Bay Area.

John was a skilled problem solver who was able to effect change by bringing people together. In founding the Marin County Grassroots Leadership Network, he assembled a coalition for underrepresented residents to unite and speak with one voice. This helped secure more equitable policy outcomes, including housing, transportation, labor, and voting rights. In addition, more than 300 rising leaders were mentored and trained through the organization.

Friends, family, and colleagues knew John for his big personality that could brighten any room. With a deep sense of compassion and a people-first attitude, John embodied all the qualities of a fierce community organizer. Although he will be sorely missed, John's legacy will live on through the lasting positive impact he had on our community and beyond.

John's hard work made a transformative difference in the lives of many. Madam Speaker, I respectfully ask that you join me in extending condolence to John's family and friends and in expressing our deep appreciation for John's extraordinary career and life.

INSULAR AREA MEDICAID PARITY
ACT

**HON. GREGORIO KILLI CAMACHO
SABLAN**

OF THE NORTHERN MARIANA ISLANDS

IN THE HOUSE OF REPRESENTATIVES

Thursday, April 15, 2021

Mr. SABLAN. Madam Speaker, today, I introduce the Northern Mariana Islands Wage and Economic Stability Act. This legislation delays for 18 months, in the Marianas only, any national increase in the federal minimum wage that Congress may enact. My bill, also, requires a Government Accountability Office report on the economic impact in the Marianas of such a national wage increase.

Unlike the rest of our nation, where minimum wage has been static, the minimum wage in the Marianas has more than doubled over recent years to reach the federal level of \$7.25.

These substantial increases have made life better for thousands of Marianas families and encouraged more U.S. workers to enter the workforce.

But I had to carefully time those increases year-by-year with legislation and based on the help of Government Accountability Office reports to ensure—successfully—that wages went up without jeopardizing jobs.

Economic conditions in the Marianas remain separate from the national situation. Whereas Gross Domestic Product rose nationally in 2019, in the Marianas GDP plunged 11.2 per-

cent that year. That decline came after a 19.3 percent decrease in 2018. And it is reasonable to expect the picture in the Marianas for 2020 will be no better. Our tourism-based economy will remain dormant until the pandemic has passed. Meanwhile, nationally, we expect growth on the order of 6 percent this year.

My point is simply this: If we are going to raise the wage in the Marianas—and, believe me, I do—then we must do it as we did before: with a close eye on the economic conditions in the islands. They are vastly different than conditions in the nation as a whole.

Again, I fully support raising the minimum wage in our country. It has been static too long. I am a cosponsor of the Raise the Wage Act—I want workers to earn more.

I believe the best way to accomplish that goal in the insular area I represent, however, is through my legislation, the Northern Mariana Islands Wage and Economic Stability Act. My bill will give Congress the analytical tools and the time to consider how best to schedule wage increases in the Marianas to improve the lives of workers and their families, while ensuring the businesses employing those workers can thrive.
